OFFICERS TO
BE ELECTED
FOR 4-H CLUBS
BY TOM CASADAY
Asst. County Agent

John Wakefield and I had a very pleasant short visit with the principals of all the rural schools in the county this week. Purpose of the visit was to set the dates for our monthly 4-H club meetings. You can imagine how enthusiastic we are about meeting our boys and girls in Coffee County.

The principals we visited are looking forward to a good year in 4-H club work. We are encouraged by this for we certainly need the help of every one in carrying out a good program. Three new principals are on duty in the county along with several new local leaders. With all of us working together, I am sure we can have a 4-H club program second to none.

Officers

Who will be the officers of the Coffee County 4-H Clubs? We will know in a little over a week. This week and next week, we are in the midst of organizing our 33 clubs, and officers will be elected to serve each club.

A few days after all club officers are elected, we plan to have the President and Vice President of each boys' and girls' club to attend a county council meeting. The 4-H club council is made up of the president and vice president of each club. From this group of some 66 boys and girls, we will elect county officers. And these officers will head the Coffee County 4-H Club council. One person will be the president and this is an important office. Early in the year, the president will attend the state 4-H planning meeting in Birmingham for about three days. We think we have the best boy and girl in the State and we are going to do the very best we can to give them a top notch program.

Cattle Marketing

While in Kansas City, County Agent Speed and I visited the Kansas City Stockyards. We were there Tuesday afternoon, Sept. 8. That morning they had sold 14,000 head of cattle, 12,000 head of hogs and 4,000 lambs. They told us they had a little bliger run usual because the yards were closed for Labor Day. We were certainly impressed with the numbers of cattle and hogs on this one market. We made to realize over again that livestock, both in that area and in our area of Coffee County, is most important.

In the years to come—and we are moving into that direction rapidly—we should be selling a lot more hogs and a lot more cattle than we are now. When that time arrives, our Coffee County farmers will be in a much better position.

Enterprise Gets Emergency Hospital

Enterprise, a 200-bed Civil Defense Emergency Hospital, complete with every essential facility, except kitchen equipment and storage space, recently was allocated to Enterprise, to be constantly available for use during any disaster conditions that could require hospital facilities over and above the existing normal facilities available here.

The hospital is expected to arrive Sept. 23, and will be stored in Enterprise. It was obtained through the Civil Defense Department of the State of Alabama by allocation from the Office of Civil and Defense Mobilization, Battle Creek, Mich. combined with the long active efforts of Mayor L. N. "Jug" Brown of Enterprise.

Funeral services were held Monday at 3 p. m. from Mt. Zion Methodist Church near Andalusia for the late Mrs. J. M. Boeman and J. M. Fuqua officiating. Burial was in the church cemetery.

A paragraph was dropped from the news account in "The Elba Clipper" last week about the change in ownership of the Elba Ford Agency, Gedeon Motors, Inc., purchased the agency from Elba Motor Co., which, in turn, had bought the business from Cannon Motor Co., operated by Gerald Cannon.

IT'S UP TO US
A crowd of parents of First Grade children descended upon the Elba City School Board Monday night to ask what is to be done for 112 tots crowded into three rooms able to accommodate about two-thirds that number.

All agreed that an extra room is needed. But there's no space for an extra room in the present school building. All agreed that an extra room needs to be built. But the School Board doesn't have the money to build one.

School authorities foresaw that enrollment in Elba city schools would continue to increase beyond the already over-crowded facilities. They mapped a building program. Then they asked the voters for an extra tax to produce the money to meet the needs.

The majority of the voters of Elba rejected the tax increase. So that's where the matter rests. School buildings are bursting at the seams and students will increase in numbers because Elba is growing. But there's nowhere to put the extra students.

The solution is up to us, the voters.

"B-Day" Set For Tomorrow With 1,000 Books As Goal

MACK WISE OUT OF TIDE DUE TO HURTS

UNIVERSITY — A long-time football duo was broken up last week as Martin Dyess and Mack Wise, Elba's Touchdown Twins, parted company on the football field. Wise, who had two years of eligibility remaining, gave up the game after a series of injuries and foot trouble.

Dyess, however, remains to complete his senior year with the Crimson Tide. Last year, he was the leading pass receiver for the Alabama team with 19 great catches, and was a consistent ground gainer. He is a two-year letterman. This year he returns as the top right halfback for the Tide.

Both boys were errors at Elba High during the 1954 and 1955 seasons when they both made All-State. During that time, the Tigers had two undefeated seasons.

The PTA committee has asked the public to leave the books or contributions at Elba High School Library or at Shelby Morrow's store, Rowe's Sundries, Stephens's Superette, or L. C. Carter's.

The committee will send someone to the home of anyone who will call either of the following: Mrs. Betty Dorsey, 2-204; Mrs. Annette Ford, 7-208; Mrs. O. B. Rowe, 7-6116; Mrs. Dorey Cook, 7-2265; Mrs. D. Ram, 7-6150; Mrs. Lucy De Maeson, 7-2388.

Mr. Casey stressed that with the educational system becoming more critical each year, and with competition from larger and better equipped schools, getting into a college or university will become more difficult for Elba High school graduates. This means that there will be no "Cap and Gown" for Elba girls and boys who plan to go to college unless 1,000 books or \$3,000 with which to buy them are collected by Oct. 1, 1959.

Annette Ford, president of the Elba Parent-Teachers Association, pointed out that every Elba parent and grandparent has stake in making Elba High school an accredited institution of learning, for their children's educational future depends on it.

The Board of County Commissioners Monday increased the appropriation for the Coffee-Elba Library Bookmobile, pointed out that every Elba parent and grandparent has stake in making Elba High school an accredited institution of learning, for their children's educational future depends on it.

The Board designated B. C. Good of the Alabama Highway Dept., to make a final settlement with Fenley and Co., Inc., for resurfacing 69 miles of roadway at various points in the county.

Judge J. O. English presided with Commissioners Whitman, Bowden, Brown and Tindol present.

The whole Tiger line was outstanding from end to end. Guard Mickey McCollough was especially outstanding on defense with several key tackles. Connie Davis, 200-pound substitute tackle, who had been out for football only one day previous to the game, also performed well.

The entire backfield also performed well, with Hudson and Nelson emerging as the ground-gainers. Key plays by Twilley and Corbett also contributed to the Tigers' overall success. Quarterback Sanders, a slight-of-hand master, ran his way with the posse and skill of a veteran, and was clearly the master of the situation at all times.

Starting lineup for the Tigers was as follows:

Left End—George King; Left Tackle — Henry Clark; Left Guard—Joe Clark; Center—Bob Duram; Right Guard—Mickey McCollough; Right Tackle — Robert Russell; Right End — Edolph Free; Quarterback — Jimmy Sanders; Right Halfback—Carl Nelson; Left Halfback—Elmer Twilley; Fullback—Gary Hudson.

TIGERS FACE LUVIERNE HERE ON TOMORROW

BY BOBBY INMAN

The red-hot Elba High Tigers, fresh from a whirlwind victory over Brantley's Bulldogs in Tiger Stadium last Friday night, face a tough Luvierne Tiger team tomorrow night on the home field.

Both teams will go into the game undefeated. Luvierne romped over a strong Georgia team in Luvierne last Friday night to the tune of 20-7. The visitors present a big threat Elba grid fortunes during the early season, and should prove to be a big test of the young Tiger team.

Chances are they won't leave as badly defeated as was Brantley last week. Elba was ahead all the way in gaining a 19-6 victory.

Many Surprises

Several pleasant surprises in addition to a steady drizzle of rain, greeted local fans at the stadium last week. Coach George Grider took the wraps off one of the finest clubs fielded by Elba in a number of years. Elba's defense was a real surprise. Boys such as Sanders, Twilley, Nelson, Hudson, and Corbett ran rough-shod over the visitors, racking up a total of 212 yards rushing. Also revealed was a big fast line that is as rock-ribbed as any Elba has fielded in recent years. They held Brantley to only 60 yards rushing.

From the first whistle to the last, it was apparent on which side of the fence the victory belonged. Elba received the kickoff, and after a beautiful runback of 32 yards by Sanders, the Tigers went into action. They went to the Brantley 27 before losing the ball on a fumble. They had it back moments later, however, after covering a Bulldogs miscue. They went on to the visitors' 11-yard line before losing the slippery ball on a fumble again. Brantley punted to their 49-yard line where Elba took over and started a drive that ended with Elmer Twilley, left halfback, cracking off tackle for 11 yards and the first Elba touchdown of the year. Hudson made the PAT, and the Tigers were ahead, 7-0.

Score in Second Quarter

They scored again in the second quarter after taking over on the Bulldogs' 38 and proceeded to score in five plays. The big play was a 23-yard run by fullback Gary Hudson that carried to the 15-yard line. Hudson scored the TD on a handoff play to the middle. The extra point was good, and the Tigers led 13-0.

Resuming play in the second half, the Tigers kicked to Brantley, held them to 2 yards in three plays, took over on the 27, and scored again in 5 plays. Corbett contributed a 12-yard run.

The only Brantley tally came in the fourth quarter after they partially drove a Nelson punt and took over on the Tigers' 38. It took them eight plays to score with McNeil going over for the TD. The extra point failed, and the score stood at 19-6. The game ended shortly afterward with the Tigers on the Brantley 16.

Outstanding line was as follows: Left End—George King; Left Tackle — Henry Clark; Left Guard—Joe Clark; Center—Bob Duram; Right Guard—Mickey McCollough; Right Tackle — Robert Russell; Right End — Edolph Free; Quarterback — Jimmy Sanders; Right Halfback—Carl Nelson; Left Halfback—Elmer Twilley; Fullback—Gary Hudson.

Left End—George King; Left Tackle — Henry Clark; Left Guard—Joe Clark; Center—Bob Duram; Right Guard—Mickey McCollough; Right Tackle — Robert Russell; Right End — Edolph Free; Quarterback — Jimmy Sanders; Right Halfback—Carl Nelson; Left Halfback—Elmer Twilley; Fullback—Gary Hudson.

Merchant Of Elba Dies In Atlanta

CO-OP PAYS \$13,952 TAX TO ALABAMA

The Alabama Electric Cooperative recently made its 1959 hydro-electric power generation tax payment, amounting to \$13,952.14, to the State of Alabama.

This special tax, which is based on the amount of electric power generated at hydro-electric power plants, goes primarily for educational purposes. The 1959 tax payment covered the hydro-electric power generation for the calendar year 1958.

Alabama Electric Cooperative operates hydro-electric power generation plants at Gantt and River Falls in Covington County, and at Elba in Coffee County, together with the McWilliams Steam Power Plant at Gantt.

Alabama Electric supplies five rural electric cooperatives in South Alabama and one in Northwest Florida, and to six municipalities in South Alabama.

The total direct tax bill of 1959 will be in excess of \$70,000.

COFFEE ASC TO BE NAMED BY TOMORROW

The county convention for the election of ASC county committee members to serve Coffee County for the next twelve months or until their successor is selected, will be held in New Brantley at the ASC office at 9:00 A. M. Friday, Sept. 18.

The following are delegates to the convention: Community A, composed of beats 1 and 18, W. H. Rhoades; Community B, composed of beats 2, 19 and 20, Bill Grimes; Community C, beats 3, 4 and 5, J. A. Dyess; Community D, composed of beats 15 and 22, Ideal Farm; Community E, composed of beats 19, 11 and 21, E. H. Wise; Community F, composed of beats 6 and 16, Robert English; Community G, composed of beat 7, Cecil Brown; Community H, composed of beat 8, Robert Godwin; Community I, composed of beat 9 and 12, J. D. Gunter; Community J, composed of beats 14 and 23, Harold Kelley; and Community K, composed of beat 17, E. F. Henderson.

ASC county committee members are responsible for the administration of the various phases of farm programs assigned to the Agricultural Stabilization and Conservation. For the past 12 months the following persons have served on the Coffee county committee: Lester Gunter, Chairman; J. Robert Wise, Vice-Chairman; Willie B. Westbrooke, Regular Member; Eugene Farris, First Alternate; and Robert English, Second Alternate.

Three Arrested Under Indictments

Sheriff H. E. Tillman today announced the name of three defendants in the 15 indictments returned last week by the Fall Grand Jury and said that the names of others would be announced as subpoenas are served.

Arrested so far under the indictments have been: Halston Hudson, of Kinston Road, violation of liquor laws; W. B. Osborn, of Elba, forgery; and Perrell Phillips, 16-year-old negro, charged with a series of burglaries including the James T. T. Rhodes, of Elba, home of Elmer Twilley, Fullback-Gary Hudson.

SKIDS IN RAINSTORM

Drexel R. Kelley, 20, of Route 1, Elba, was driver of a car that skidded off the Elba-Troy highway at Plant Hill Sunday afternoon about 11:30 a. m. in a rain-storm and knocked down two mail boxes, according to city police who investigated. No one was hurt and no one was arrested.

An all-day Sacred Hing Sing will be held at Pleasant Ridge Church, four miles south of Victoria, Sunday, Sept. 20.

65th Birthday
Friends and relatives of Escar Jacobs are invited to attend his 65th birthday celebration at his home, Sunday, Sept. 20.

STORES HERE TO BE CLOSED ON ARMISTICE

A revived series of closing dates for the rest of this year was drawn by the Merchants Division Committee, of the Elba Chamber of Commerce, at a meeting last week. K. D. Thompson is chairman.

The committee decided to include closing Armistice Day, which falls on Wednesday, but without the usual Thursday afternoon closing next day. Closing Thanksgiving, already decided upon, was retained.

A decision was taken to close three days at Christmas but to remain open New Year's Day.

A three-day Christmas holiday was decided upon when the merchants voted to close Friday, Christmas day, and remain closed Saturday, which, followed by Sunday, would constitute a three-day weekend closing.

'JINX CORNER' HAS ANOTHER CRASH HERE

A week ago occurred the last in a series of automobile collisions at the corner of Simmons and Addison streets to earn this intersection the nickname of "the jinx corner."

City police say as many accidents occur there as in all the rest of the city combined although there is no clear logical explanation yet. There is a traffic light there and it is an open intersection with the building at the corner to obscure the view.

Thursday, Sept. 3, at 12:35 p. m. an automobile driven by Wm. Harold Grant, 24, of Enterprise, traveling east on Simmons St., was stopped for the traffic light when it was running on red by an automobile driven by Jack T. McWilliams, 41, of Elba, with damage to the front of McWilliams' car and the rear of Grant's car, according to police.

RIVER GROUP PLANS GIANT ANNUAL MEET

Plans are underway to feed 3,500 people with fish and "hush-puppies" at the annual meeting of the Choctawhatchee-Deer River Development Association scheduled for Thursday, Sept. 24, at the Westville-Caryville bridge over the Choctawhatchee.

Festivities are slated to begin at 2 and continue throughout the afternoon. A giant fish supper prepared by four Florida National Guard units will be served at 5.

C. of C. Meeting This Week Canceled

The regular meeting of the Elba Chamber of Commerce, scheduled for Tuesday, was canceled due to the sudden death of James J. Wise, prominent Elba merchant.

Dr. E. M. Ward, president, said yesterday that a new date for the meeting will be announced later. Speakers scheduled for this week's meeting will be heard at a time to be announced later.

FIREMEN CALLED OUT

A ball of smoke from the motor of the truck belonging to Curt Taylor, of Brantley Road, resulted in a call to the Elba Volunteer Fire Department Monday morning to Kinston highway near the canal bridge, where Taylor's car was stalled. The fire was out before the firemen arrived.

ALL-DAY SING

An all-day Sacred Hing Sing will be held at Pleasant Ridge Church, four miles south of Victoria, Sunday, Sept. 20.

65th Birthday
Friends and relatives of Escar Jacobs are invited to attend his 65th birthday celebration at his home, Sunday, Sept. 20.

LEGAL NOTICES

ORDINANCE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ELBA, ALABAMA, AS FOLLOWS:

SECTION 1. That unless the context clearly indicates otherwise, the words, terms and phrases used in this ordinance shall have the same meaning as ascribed to them in and by Section 752, Title 51, Code of Alabama of 1940, as Amended, and the following words and phrases not defined in said Section of said Code, wherever used in this ordinance shall have the meaning respectively ascribed to them in this Section: (a) "CITY" means the City of Elba; (b) the term "CITY CLERK" shall mean the City Clerk of Elba; (c) "State Sales Tax Law of Alabama" shall mean Article 10, Chapter 20, Title 51, Code of Alabama of 1940, as Supplemented by H. B. 84, Special Session, 1959, passed 12 August, 1959.

SECTION 2. There is hereby levied in addition to all other taxes of every kind and nature now imposed by law and shall be collected as herein provided, a privilege or license tax against the persons on account of the business activities and in

(c) Upon every person, firm or corporation engaged, or continuing within this state, in the business of conducting, or operating, places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games, skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description, an amount equal to one percent of the gross receipts of any such business.

SECTION 3. There are, however, exempted from the provisions of this ordinance, and from the computation of the amount of privilege or license tax levied, assessed, or payable under this ordinance the following:

(a) The gross proceeds of such sales and the gross receipts of such business as are exempt from the sales tax levied by the State of Alabama under the provisions of the State Sales Tax Law of Alabama.

SECTION 4. The tax levied under the provisions of this ordinance, except as otherwise provided, shall be due and payable in monthly installments on or before the 20th day of the month next succeeding the month in which the tax accrues.

On or before the 20th day of each month after this ordinance shall have taken effect, every person on whom the tax is levied shall pay to the City, on a form prescribed by the City, a true and correct statement showing the gross sales, the gross proceeds or gross receipts which are not subject to the tax or are not to be used as a measurement of the taxes due by such person, and the nature thereof, together with such other information as the City may require, and at the time of making such monthly report such person shall compute the taxes due and shall pay to the City the amount of the taxes shown to be due. Unless other forms be prescribed by the City, such person may use the forms prescribed and used by the State of Alabama under the State Sales Tax Law of Alabama. In making the statements and reports herein provided, the same information shall be given to the City as is

furnished to the State under the State Sales Tax Law. If any person subject to this ordinance should willfully make a false return or false statement of facts in the statements or returns required hereunder, he shall be guilty of a misdemeanor and upon conviction shall be punished as provided in Section 6 of this ordinance.

SECTION 5. It shall be the duty of every person engaging or continuing in the City in any business for which a privilege tax is imposed by this ordinance to keep and preserve suitable records of the gross sales, gross proceeds of sales and gross receipts, or gross proceeds of sales of such business, such other books or accounts as may be necessary to determine the amount of taxes for which he is liable under the provisions of this ordinance.

And it shall be the duty of every person to keep and preserve, for a period of two years, all invoices of goods, wares and merchandise purchased for resale or otherwise and all such books, invoices and other records shall be open for examination at any time by the City or its agents.

SECTION 6. The books, records and accounts mentioned in the next preceding Section shall at all reasonable time be open to examination by the City Clerk or by any person designated by him. Any person who shall fail to keep such records or refuse to permit such examination thereof, or shall fail to render any report required by Section 4 of this ordinance, or shall fail to pay the privilege or license tax levied under the provisions of this ordinance before the same shall become delinquent, or

who shall violate any other term or provision of this ordinance, shall be guilty of a misdemeanor, and upon conviction shall be fined not less than \$25.00 nor more than \$100.00 for each such offense. Each failure shall constitute a separate offense and each day in which business is done without paying any delinquent license or privilege tax levied hereunder shall constitute a separate offense.

SECTION 7. Every itinerant vendor engaged in the business of selling tangible personal property at retail within the City shall be subject to the terms of this ordinance, and before making any sales therein is required to give bond to the City in the sum of \$50.00 to be approved by the City Clerk before making any such sale, to secure the payment of any tax which may become due hereunder, and separate security shall be given for every five days in which such person may be so engaged. A failure to give such security shall be a misdemeanor punishable as provided in Section 6 of this ordinance.

SECTION 8. This ordinance shall not be held or construed to cancel or repeal any provision of any other ordinance of the City under which a privilege or license tax is levied, but shall be cumulative thereto.

SECTION 9. Every person subject to this ordinance may retain as compensation to cover the expense of collecting and reporting the privilege license taxes herein levied 3% of all taxes paid to the City under the provisions of this ordinance, provided the returns are made and the taxes paid before the date hereon provided hereunder. If the reports are not filed within the time herein provided and the taxes are paid under the dates herein provided, no such person shall be entitled to such discount, but

shall pay to the City the full amount of the tax with interest at the rate of 6% per annum from the date the payment of said tax became delinquent.

SECTION 10. The proceeds derived from the taxes herein levied, less the cost of levying and collecting the same, shall be set aside and held in a special hospital building fund, which said fund is hereby created, for the purpose of paying the cost of acquiring, providing or constructing, equipping and maintaining a hospital in the City of Elba, Ala., or for providing for funds with which to make the contribution required by law and regulations to be made by the municipality in acquiring, providing or constructing, equipping and maintaining a hospital in cooperation with the State of Alabama and/or the United States of America and/or any agency of them or either of them; and for the purpose of paying the principal and interest on any bonds, debentures, warrants, etc., issued by the municipality or by any hospital authority created for the purpose of acquiring such hospital facilities.

Provided, however, that the taxes hereby levied shall cease to be levied when the sum of \$100,000.00 principal shall have been accumulated in such special fund or when bonds, debentures, warrants, etc., not exceeding \$50,000.00 have been paid in full, together with interest thereon, or money is in said fund with which to pay the same when due.

SECTION 11. If any Section, subsection, clause, provision or part of this ordinance shall be held to be invalid or unconstitutional in a court of competent jurisdiction, such holding or holdings shall not affect any other section, subsection, clause, provision or part of this ordinance which is in itself and

of itself valid and constitutional.

SECTION 12. That certain ordinance heretofore passed on the 15th day of July, 1957, pertaining to the above subject matter, is hereby repealed, and this said ordinance passed in place and instead of same.

SECTION 13. That this ordinance shall become effective on October 1st, 1959.

Attest:

Explains - There's more
than meets the eye in

"A MAN'S THOUGHTS MUST ALWAYS FOLLOW HIS EMPLOY- MENT"

The practice of pharmacy has changed greatly within the past ten years. More than 70% of the medicines now prescribed were unknown before then. In order to keep up with this amazing progress we must be continuously studying medical and pharmacy reports. We must learn the dosage and properties of new drugs.

We have to discard the old medicines no longer being prescribed and order in every new medicine a physician may specify. All this requires constant thought and we are glad to report that we can fill any prescription, written by any Doctor, even one from another city.

"Quotation by Demosthenes

CORRECT POSTURE

Correct posture isn't something that you merely see. It's possible for someone to stand erect and still have spinal distortion or poor posture. As a matter of fact, you can stand too stiffly erect. The so-called ram-rud posture is an example of that.

Correct posture is a matter of normal body balance, not being abnormally straight or abnormally bent as in the case of a slouching posture. No correct posture isn't merely a matter of looks. It goes deeper than that. Actually, there are three kinds of correct posture—sitting posture, standing posture and sleeping posture. If you sit, stand or sleep in the position that's in natural balance with the earth's gravitational pull, you have correct posture. To slouch backward or forward or sideways invades an abnormal spine, induces pain, wastes energy and encourages disease.

It is important then that all understand the effect correct posture has on health. Correct posture assures a sound body, prevents cramped organs, promotes normal nerve function. Virtually is raised, excessive fatigue is eliminated, and what is equally important, illness due to postural distortions is avoided.

Parents know it is important that children see the dentist twice a year, that there be regular inspection of the eyes. It is equally important that all have regular spinal examinations, too. Spinal distortions caught early can prevent pain and illness later on.

Spinal examinations are vital to adults, also. So, regardless of whether you suspect postural distortions, consult Dr. Yoham. He is a specialist in correcting postural defects. And with this correction there can be better health and better looks, for correct posture means a sound and beautiful body—instead of cramped organs and a slouchy appearance. Correct posture means greater vitality and work efficiency.

It assures physical endurance. It makes for complete relaxation. Learn to stand, walk, sit and sleep well.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brainier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

SCHOOL BUS DRIVERS AIDED BY PARENTS

The bus drivers of Coffee County have been given a complete physical check-up, by county health office personnel, without any cost to the driver. This is done to better insure the safety of children who ride the buses.

To The Public Generally:

1. Parents are requested to cooperate with the driver in meeting the bus promptly; also, they can help by encouraging right conduct on the bus and at school.
2. Only pupils, teachers and other school employees are allowed to ride school buses. The driver is instructed not to allow others to ride and the public is asked to cooperate by not asking him to violate the law.
3. Parents and other interested citizens should feel free to approach the driver, the principals and other school officials about any transportation problem which involves the safety and welfare of children.
4. Uses of school buses are in accordance with the rulings of the Attorney General's Office.

The Pupil Should:

1. Have a definite place to board the bus each day.
2. Cooperate with the driver in maintaining good order, seating arrangements, boarding and leaving the bus promptly, load and unload in a group where houses are close together, keeping the bus clear of nuts, marks and scratches and be willing to walk a reasonable distance to board the bus.
3. Not visit on buses other than the one on which he is regularly transported except by permission from parent and teacher.
4. Not enter the buses except for transportation to and from school.

593 COFFEE CHILDREN GET WELFARE AID

The Coffee County Department of Pensions and Security was serving 593 children, including five placed in foster homes and 48 receiving social service only at the end of August, according to Mrs. Grace M. B. B. director.

Children receiving child welfare services through the Department of Pensions and Security in Alabama at the time of a recent study numbered nearly 10,000, Pensions and Security Commissioner Alvin T. Prestwood said recently.

The study showed that about half the children were in the homes of parents and nearly 15 per cent with other relatives. More than 15 per cent were in boarding foster homes and over nine per cent in adoptive homes and nearly that number in institutions.

Agencies of the children served indicated that they range from babies to teen-agers, with nearly 54 percent being ten or under. Of the total, over 55 percent were boys, who outnumbered girls in nearly every age group.

By far the largest number of children came from broken homes, Prestwood said, indicating that for over 30 percent parents were divorced, deserted, or separated. For over 18 percent of the children one or both parents were dead and for over 22 percent they were not married. In fact, Prestwood said, only 28.7 percent of the children had married parents who were living. Nearly two-thirds of the children served were white, the study showed.

"These services to children are particularly significant in terms of prevention of delinquency, rehabilitation of families, and helping boys and girls to grow up into useful, independent citizens," Prestwood concluded.

JAYCEES TO MEET

Elba Jaycees will meet Thursday, Sept. 24, at the City Recreation Center, City Pool, with new members and their wives especially invited. All Jaycees have been invited.

The Elba Clipper

DEDICATED TO THE NEWS AND INTERESTS OF ELBA AND COFFEE COUNTY

First Baptist To Hold Open House

The First Baptist Church of Elba will hold Open House next Sunday, Sept. 27, from 3 to 5 p. m. to mark the completion of the new addition, a part of which is seen in the left of the above picture. The church was organized in 1882 and now has 706 members. Rev. Murray L. Seay is pastor and Mr. Joe Frank Cole is Minister of Music and Education.

SAVINGS AND LOAN RECEIVES CHARTER HERE

Charter for the First Federal Savings and Loan Association of Coffee County has been received and a meeting of subscribers will be held Monday, Sept. 28, at the Coffee County Court House to elect permanent officers.

Subscriptions for the necessary stock was completed several weeks ago after which application was made to the Federal Home Bank, Greenboro, N. C. for charter to do business. Temporary officers named were: Jerry Brunson, chairman; Kinney Doney, vice chairman and Lamar Palmer, Jr., secretary.

Mr. Brunson for three years was associated with the Birmingham Trust National Bank and for the past three months has been undergoing savings and loan training with Birmingham Federal Savings and Loan Association.

The savings and loan association was organized here to meet the need for more homes which is increasing as Elba continues to grow.

Temporary office has been established at the National Security Life Insurance Company but a downtown office will be opened in the near future.

WEEK REMAINS BEFORE USUAL LICENSE RUSH

A week remains to avoid the usual seasonal rush for purchases of store, business and professional licenses, hunting and fishing licenses.

Probate Judge J. O. English recalled that a rush for these licenses has always begun Oct. 1 and those who come now may avoid waiting in line. License prices are the same as last year.

Judge English said the new 1960 automobile and truck license tags will be available Oct. 1, a week from now, with a deadline of Nov. 15. Prices are the same as last year. The 1960 tag will be white numerals on a blue background.

Curtis 4-H Cubs Elect Officers

Curtis 4-H club elected new officers Monday, Sept. 21. Officers of the girls club are: Judy Wilson, president; Sarah Foley, vice pres.; Corinne Cowen, secretary; Catherine Hudson and Pansy McCord, song leaders; Christine Brooks, devotional leader, and Alice Wilson, reporter.

New officers of the boys club are: Donnie Nelson, president; Jerry Griffin, vice president; James Thompson, secretary; Philip Mixon and Kenneth Baker, song leaders; Mack Donaldson, devotional leader; Paul Capps, recreational leader, and Ed Cowen, reporter.

STUDENTS MAY BE PART-TIME WORKERS ONLY

"The State Child Labor Law does not prevent students from earning money in part-time jobs, provided the work is restricted to activities which are harmless to health and morals," said Ralph R. Williams, Director of the Alabama Department of Industrial Relations. Monitoring, as inquiries from both employers and students increased with the opening of schools.

Limitations on hours of work in certain occupations and places of employment vary with the age of the boy or girl. The Alabama Child Labor Law sets practical and legal standards which promote better health and education, however, Williams stated, they should not cause employers to discriminate against the employment of students in the case of 14 to 18.

Four important documents are essential for teen-agers before starting on a new job. The birth certificate is the first requisite, together with the school record which should be taken to the certificate-issuing officer who will supply the intention-to-employ and physical examination blank. The next step is a physical examination. This is usually done by a county health officer or a family doctor. These documents, four in all, should be taken to the city or county school superintendent, who will either issue a work certificate or direct the job seeker to a certificate issuing officer with delegated authority.

All jobs for both boys and girls within the age groups of 14 and 15 are legal only if performed outside school hours. Other limitations, except in farm employment and domestic service, restrict the hours and days of work.

Newspaper carriers, sellers, and auditors in the 10 to 15 year old group must secure a badge under the Alabama Child Labor Law before accepting part-time work. Other job opportunities with legal work certificates in this age group include: mail boys, junior camp counselors and assistants, car wash and gas station attendants, greenhouse or nursery work, others in theatres, grocery stores, retail stores and apartment house janitors, library assistants, office work, fruit and vegetable packing houses, playground work, bus drivers, waiters, sales and clerical work.

Girls in the 14 and 15 year age group with legal work certificates may be employed as beauty operators, camp work, day nursery work, library assistants, office work, receptionist, restaurant work - inside only and are not permitted to dispense alcoholic beverages - retail and drug stores and as ushers and candy stand clerks in theatres.

Boys and girls in the 16 and 17 year age group have a wider field of job opportunities, but under no conditions are they permitted to work on hazardous jobs.

Witnesses Attend Meeting In Mobile

Several members of the New Brockton Congregation, Jehovah's Witnesses, attended the convention at the Pritchard National Guard Armory, Mobile, recently.

They were: Mr. and Mrs. James Pryor, and children Tommy and Dale; Mr. and Mrs. Joe Todd and children Debbie, Joan and Gary; Mr. and Mrs. Theodore Todd and children Jan, Kay and Eddie; Mr. and Mrs. Fred Tindal; Mrs. Rosie Strickland; Mrs. Cass Mixon; Mrs. Tom Snellgrove and Howard; Mrs. Billie Joe Whitehead; Mr. and Mrs. H. G. Harper and Lamar; Mr. and Mrs. M. English and children; Mrs. Dock Padgett and Lawana; and Larry Harper.

YOUTH RALLY SET

The Annual Fall Youth Rally for the Methodist youth Fellowship in the Alabama-West Florida Conference will be held Saturday, Oct. 3, at Blue Lake Camp near Andalusia, at 10:30 a. m. until about 3:30 p. m. The program, which will include drama, song, leaders, Mack Padgett and Lawana, and Larry Harper.

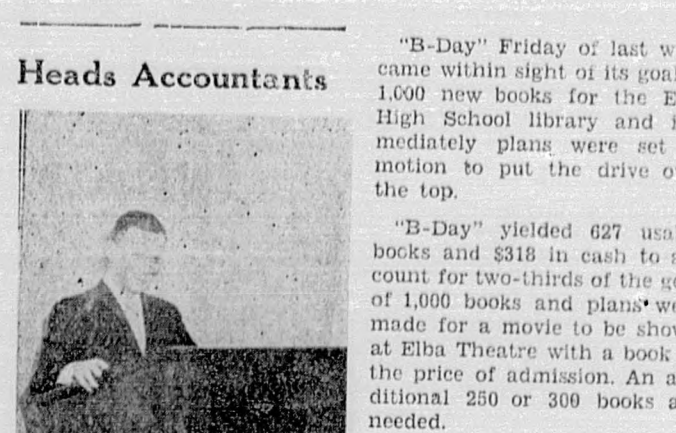

MISS NEW BROCKTON

The executive board of the New Brockton F. H. A. Chapter is busy making plans for the year. The theme is "F. H. A. 'ers Teens With a Purpose."

The officers are as follows:

President - Amelia Herring; Vice - President - Wadonna Pittman; Secretary - Linda Folson; Treasurer - Loretta Nicholson; Reporter - Judy Ann Fillingim; Parliamentarian - Shirley Lott; Historian - Sue Watson; Recreational leader - Linda Roberts; J. H. Ann Fillingim, F. H. A. Reporter.

"B-Day" Gets Books But Short Of Goal

Joe Hayes, Dorsey Trailers Chief Cost Accountant, is seen here as he addressed the International Business Machines Customer Executive Class held at San Jose, Calif., Aug. 31 to Sept. 4 after his election as president of the group.

The class consisted of officials from organizations all over the U. S. gathered to discuss modern developments in record keeping and analysis.

Never before having been out of the South, Mr. Hayes decided to mix pleasure with business. After a sightseeing tour of San Francisco, he went to Mexico where he saw a bull fight near Mexico City, and visited the towns of Puebla and Cholula, about 60 miles from Mexico City, where he saw 365 cathedrals within a radius of five miles.

TWO HURT IN 3-CAR CRASH ON MILL ROAD

Two Elba men were injured in a three-car crash on Old Mill Road, a half mile west of Old Mill Road, Thursday, Sept. 17, about 8 p. m. though not as seriously as at first believed.

Injured were: James Howard Harper, 20, of 115 Hillcrest Loop and Harold Edmon Lee, 30, of 402 Buford St. Both were taken to Mizell Hospital, Opp, though Harper was discharged after treatment and Lambert is recovering from a crushed left arm though the bone was not fractured.

Harper and Lambert were driving towards Elba with Lambert suddenly applied brakes and swerved to the left side of the road to try to avoid collision with a pickup truck, which entered from a side road, driven by O. D. Taylor, of Rt. 2, Elba, according to city police who investigated.

Lambert's car slightly scraped the rear fender of the truck but, due to the sudden slowdown by Lambert's and Harper's cars, both cars overturned but without collision with each other.

Harper was discharged from the hospital Sunday and has returned to work though still suffering from an injured right knee.

Three Attend Meet Of Legion Auxiliary

Three members of the Auxiliary to Culver Post, No. 42, American Legion, attended the Fall Conference of the Seventh, Eighth and Ninth Districts held at Camden, Ala., last Sunday, Oct. 20.

They were Mrs. Ruth B. Hawkins, Mrs. Wayne B. Bowel and Mrs. Margaret Johnson.

CORRECTION

The automobile of Jack T. Snellgrove, 41, of Elba, was damaged from the rear by an automobile driven by Wm. Har- old Grant, 24, of Enterprise, at Elba, Sept. 16, 1959.

Instead of vice versa as reported in these columns last week.

Prize Winning Newspaper Better Newspaper Contest 1955 1956

TIGERS WILL GO TO OPP TO PLAY BOBCATS

The Elba Tigers will journey to Opp tomorrow for what will probably be their toughest contest of the season when they take on the Opp Bobcats, fresh from a 32-6 trouncing of Flomig High School and immediately plane were set in motion to put the drive over the top.

"B-Day" yielded 627 usable books and \$318 in cash to account for two-thirds of the goal of 1,000 new books and plans were made for a movie to be shown at Elba Theatre with a book as the price of admission. An additional 250 or 300 books are needed.

The drive is sponsored by a committee of Elba High PTA as part of Elba High's drive for accreditation. Elba High was out on accreditation probation last year because of a lack of proper science equipment, lack of library books and teacher units.

Superintendent S. J. Casey has said he thinks the school has sufficiently complied with all requirements to regain accreditation except for sufficient library books.

Lavene added the clinching TD in the last two minutes, when Butts, who gained 177 yards during the game, raced around end for 60 yards.

TP in the last two minutes, when Butts, who gained 177 yards during the game, substituted freely and finally won the Tigers down in the last quarters.

Hudson was the top ground gainer for the Tigers with quarterback Jimmy Sander and left half Mike Condit close behind. Robert Russell, Henry Clark, Mickey McCollough, and Elmer Twilley drew defensive praise from Coach George Grier.

The Tigers should be at full strength for the Opp tilt. Several boys had minor injuries for the Lavene game, but are expected to be back in form this week.

The Tiger Band, making its first appearance, gave an outstanding performance at halftime. They were wearing their new uniforms, purchased during the game, but are expected to be back in form this week.

Qualifications set by the Peanut Festival committee are that entrants must be 17 years old by Oct. 1, this year; unmarried; other than school in Elba, live in Elba or in the trade area.

The winner for 1958-59 was Melvin Wilson with Judy Smith, second and Rebecca Holmwood, third; winner in 1957-58 was Mastercane Eunice with Judy Lambert, second and Judy Pearce, third.

Harper and Lambert were driving towards Elba with Lambert suddenly applied brakes and swerved to the left side of the road to try to avoid collision with a pickup truck, which entered from a side road, driven by O. D. Taylor, of Rt. 2, Elba, according to city police who investigated.

Lambert's car slightly scraped the rear fender of the truck but, due to the sudden slowdown by Lambert's and Harper's cars, both cars overturned but without collision with each other.

Harper was discharged from the hospital Sunday and has returned to work though still suffering from an injured right knee.
